### REWARD/PENALTY

Because the new newsletter editor is a judicial staff attorney and spends her days writing memos to judicial officers, the editor found that the word “Court” inadvertently slipped into early drafts of the newsletter where the word “Club” should have been used. Although these errors were caught and corrected, old habits die hard and the error may be repeated.

Therefore, if any reader of the newsletter, regardless of membership status, finds an erroneous use of the word “Court” in a newsletter and brings it to the editor’s attention, the editor will: (1) give a \$5 Starbucks gift card to the first person who notifies the editor of the error; and (2) donate \$5 to the Club Foundation. Legal mumbo jumbo: This offer is limited to one gift card and one donation per use of the inadvertent word in a newsletter. Offer cannot be combined or redeemed with any other offers. Void where prohibited. Editor reserves the right to intentionally inadvertently use the word in a newsletter if things get boring or the Foundation coffers get low.

### LOT 318 VOLUNTEER APPRECIATION CELEBRATION

On October 1, 2016, Lot 318 held a Volunteer Celebration to thank those who partner with it to help the community, including our Club. Our Kiwanian of the Year, Rick Smith, represented the Club at the event. This was appropriate, in light of the many hours of services that Rick has given to help the residents and children of the Lot 318 community.

### PANCAKE TRAILER

On October 1, 2016, Richard Hardy and his daughter, Stephanie Hardy, took the Club pancake trailer to the Relay for Life Event in Santa Fe Springs so that that organization could serve its participants breakfast.

On October 8, 2016, Richard will be taking the trailer to the Norwalk Youth Sports Center/Japanese School at 14615 Gridley Street, Norwalk, CA 90650. Richard will be joined by Stephaine Walker and Ed Garcia and others, who will be helping to cook and

serve pancakes. The event will run from about 7:00 a.m. to 11:00 a.m., and additional volunteers are welcome.

### **PUMPKIN CARVING SERVICE PROJECT**

On October 15, 2016, our Club will partner with Lot 318 to help little Trick-or-Treaters in the La Jolla area carve their Halloween pumpkins. Members who attended last year's event reported that this is one of the best service projects ever. The event is held right on Cypress Street, and will run from about 9:00 a.m. to noon. Club members will be joined by other volunteer groups, including those from the Rose Drive Friends Church and our own Key Clubs.

Lot 318 will be purchasing over 100 pumpkins and is looking for donations of pumpkin carving utensils and newspapers, and members may bring these items to the next breakfast meeting.

### **CLUB MEETING**

On October 6, 2016, Club member Wendy Townsend solicited ideas from the members about the planned renovation of the City Library to take back to the Library as community feedback. Among other things, our members suggested that the library add an atrium, private spaces, and device charging stations. Our members also suggested a Starbucks, a staff gym and spa, and a really, really big office for Wendy, but, unfortunately, these are probably long shots. Thank you, Wendy, for your presentation.

### **DCM**

On October 20, 2016, Division 30 Lieutenant Governor Richard Hardy – who is one of our own – will be presiding over his first Division Council Meeting, also known as a “DCM.” Aptly, our club will be the host club, and it is our responsibility to bring the club banner, call the meeting to order, lead the Pledge of Allegiance and patriotic song, and give the invocation. Club members are encouraged to attend and support Richard – especially those who can carry a tune. (Stephanie Walker, that describes you.)

The meeting is at Sizzler Restaurant, 1401 North Harbor Blvd., Fullerton. The dinner portion of the meeting begins at 6:00 p.m., followed by Kiwanis business and program at 6:30 p.m. The cost for a salad bar dinner with drink and 50/50 drawing tickets is \$20.

### **HALLOWEEN-Y SPIRIT – JUST FOR FUN**

As a way to have fun in the new administrative year, the Club President will have a theme for the last regular meeting of the month, which will be announced well in

advance. For the meeting of October 27, 2016, the theme will be Halloween and the Club President is asking the members to wear something to show their Halloween spirit. This could be something as simple as wearing a witch's hat or a pumpkin pin, or it could be as involved as dressing up in costume (although I would be seriously surprised if anyone actually did that). Although this is just for fun, the Club President reserves the right to fine any party poopers.
